Read and annotate your PDFs

Save time navigating PDFs
Open multiple PDFs in separate tabs. Read, take notes and switch back to your research library instantly.

Annotate and highlight
No more need for hand-written notes, sticky notes and highlighter pens. You can now annotate, highlight, and add sticky notes directly to your PDFs.

Share annotations with others
Simply create a private group, add colleagues and start sharing. Every time you add notes or highlight a paper, it will be visible to members of the group.

Save and print annotations
All your annotations can be saved within your PDFs, so when you print them out, your ideas travel with you.

Content-based recommendations
The us recommended items similar to the ones preferred in the past.

Collaborative recommendations

Organized PDFs
Organizing your PDF’s doesn’t have to be a chore. Let Mendeley do it for you. Identify recently added papers, add favorites in a click and store them in multiple folders.

Easily sorted
When you add PDFs, we instantly scan them to identify the author, title, journal and other information by matching the PDF’s contents with our global research library. It’s like magic.

Comprehensive search
Mendeley searches across the full-text of your research library and results appear instantly as you type.

Intuitive navigation
No more complicated file names. Navigate your research library through relevant fields like Author, Title, Publisher and Journal.
